

SCINTILLA

The one and only: **Scintilla Classic**.

Italian **design**, Italian **materials**, and Italian **craftsmanship**.

This timeless barbecue is made of **steel** and can easily be moved around, thanks to its practical and **efficient wheels**, and is equipped with a **useful food warmer**. Moreover, **lateral doors** will help you keep the fire going without the risk of leaving wood debris on the food.

Available in four different sizes - **90, 110, 130, and 150 centimeters** - it will arrive at your home in a simple **assembly kit**.

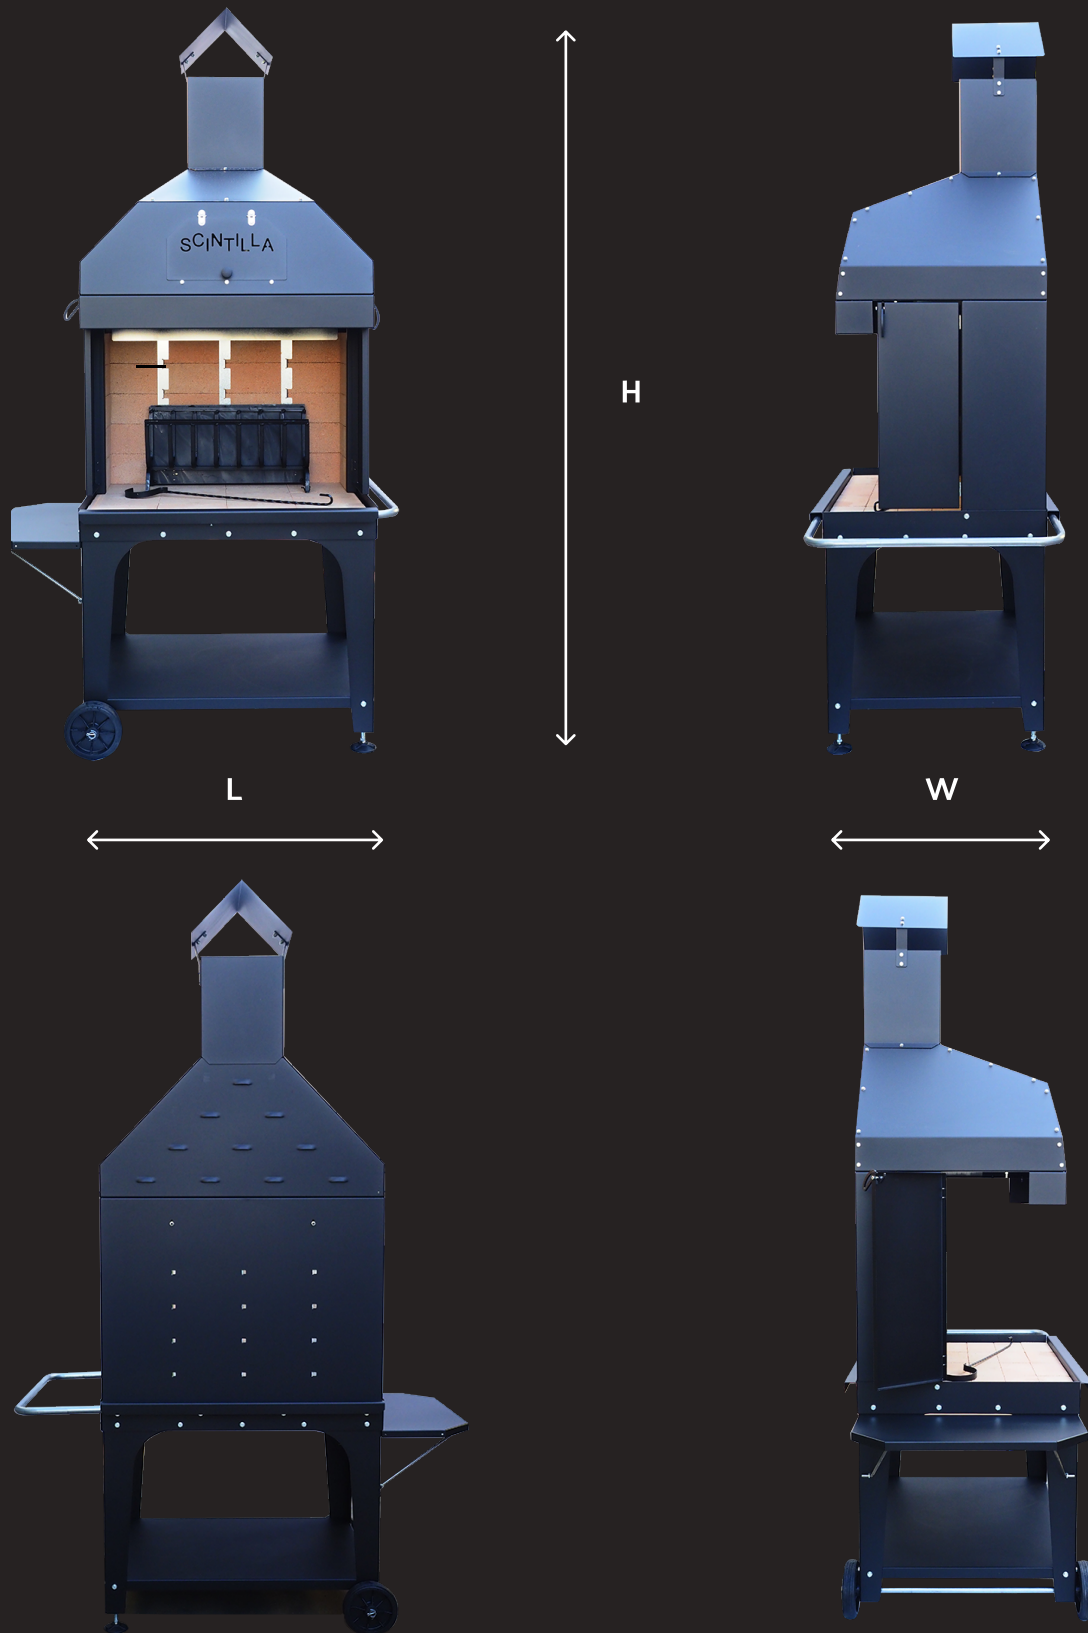

CLASSIC

Together with the two wheels and a food warmer, the barbecue is already equipped with a **brazier and an oven rake**.

One **lateral shelf** and an **adjustable handle** fully complete our Scintilla Classic.

SCINTILLA CORTEN

In limited edition, our Scintilla Classic becomes **Corten**.

Our Scintilla Corten is suitable for **intensive use** even in contexts of **high humidity**.

Corten steel, in fact, **protects itself from corrosion** by forming a compact protective film on its surface to prevent the progressive spread of corrosion. The **protective film** varies slightly in shade over time, always remaining in the **typical brown tones** after a few months.

Available in two different sizes - **90 and 110 centimeters** - it will arrive at your home in a simple assembly kit complete with **wheels, built-in food warmer, side shelf, side doors** for loading wood, an **adjustable handle**, a **brazier**, and an **oven rake**.
