

# NEW PIZZA SCINTILLA

## 100% ITALIAN TASTE AND QUALITY

This spacious **Made in Italy** pizza oven will allow you to give an extra touch to your parties.

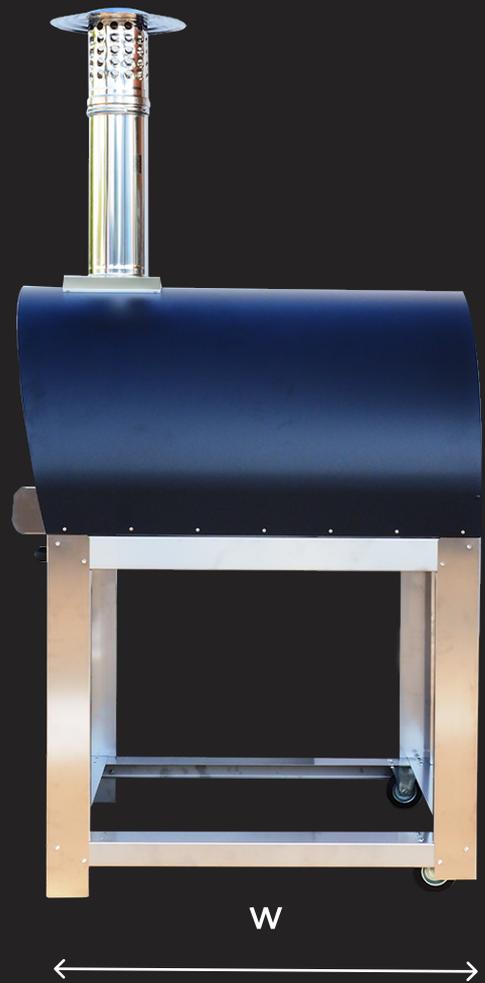

Made of **stainless steel**, our pizza oven was created to last over time.

Thanks to its large **80x80cm cooking surface**, you can cook several pizzas and bruschettas at the same time. Our pizza oven is also excellent for bread and roasts.

Like the rest of our products, even this

pizza oven is equipped with **practical wheels** and **handles** to be moved around. In addition, a **handy thermometer** will allow you to monitor the temperature of the oven.

Pizza Scintilla will arrive in an assembly kit complete with **wood burner**. On request, it is possible to order the pizza oven even without a trolley, to place it directly on a suitable surface.
